Ltd, Gat No 44, old Barshi Road, Bhogaon, Solapur, in respect of collection, transportation & disposal of bio-medical waste as per requirement of the party against the consideration decided by themselves which is described as under.

BIOCLEAN SYSTEMS (INDIA) PVT. LTD. CIN U74999MH2005PTC148955 SOLAPUR CRIMTRACK

M. M. Patel Public Charitable Trust's Ashwini Rural Medical College, Hospital & Research Centre, Kumbhari, Hospital Unit Solapur

Agreement is executed today on this day 01/04/2018 At Solapur, between:

1) Medical Supritendent
M.M.Patel Public Charitable Trust
Ashwini Rural Medical College & Hospital
(Herein called as party No.1)

Successor at Present

2) Bio- clean Systems (India) Pvt. Ltd,
(Herein called as party No. 2)

Gangadhar S. Kurre (Transport Manager)
Age: 36 years
Resident of Solapur

Whereas the party no. 2 is BOT contractor of Solapur Municipal Corporation and for doing the said above work as per the rule and regulations of MPCB this agreement is executed between party No. 1 and party No. 2 from 01/04/2018 to 31/03/2023 as per the term & conditions Mentioned below.

Terms & conditions of agreement:

1) The bio- medical waste generated by hospitals is defined as follows:
   a) Human Anatomical Waste
   b) Micro Bio-logical, Bacteriological waste & Path lab , waste
   c) Waste sharps
   d) Discarded medicine & equipment, plastic, rubber, disposal
   e) Solid waste, glass bottles, plastic bottles, injections, syringes etc.
   f) All types of tubes, cotton waste, used banded etc.
   All the above material (waste) is to be segregated and stored in prescribed bags with label of Bio- Medical waste rules which are having specific color codes as per M.P.C.B. Act. The waste material is to be segregated by hospital housekeeping department.

2) In the Bio- Medical waste bag no other waste is allowed such as foodstuff, carry bags, fruits papers, coconut flower. After conveying frequently if concerning institute is failed in this regard, their report will be conveyed to MPCB.
3) That, segregated waste (material) will be given to the contractor's vehicles by the sweeper, staff or concern person of the hospital. The contractor will give door to door service to hospital which are as per the B.M.W (M&H) rules.
4) Both the parties are abide to sign on their service Visit Report Book whether the waste material is available or not. The responsibility of put the bags into the vehicle is that of concerning institute / hospital.
5) The collected Bio- Medical waste to dispose it is contractor's responsibility.

6) The disposal charges of Bio-Medical waste will be as under:-
   a) Rs. 48051 /- per month add 10% from 01/04/2021
   b) The taxes will be charged extra as applicable by rules then existing.
   c) BMW Collection Bags will charged extra per kg.
7) The payment for collection, transportation and disposal is to be paid on 5th day of each English calendar month. The Bio- Clean Systems (India) Pvt. Ltd will issue receipt of the same.
8) On the day of Dhulwandi, Rang Panchami, Shiv Jayanti, Pola, Diwali, Dashera, National holidays Curfew, Band etc. service will be not able to Provide by the contractor.
9) The total system will be carried out as M.P.C.B. rules and regulation by law 1998, the respected amendment for the both the laws will be corporate as and When published.
10) Every Five years 10% agreed charges will be increased in para no. 6 of this agreement.
11) If there is hike in cost of transportation fuel, electricity, wages, diesel etc. charges may be revised by mutual understanding of party No. 1 and Party No. 2
12) If the institute / hospital fails to make the payment regularly as per agreement to contractor, the contractor will wait up to 2 months and after that contractor will stop the service and inform to MPCB, local authority, IMA, president, collector and the concern institute will be responsible for further cause and consequence which will be adore in future.
13) It is necessary for the party No. 2 to collect the Bio- Medical waste alternate day from consent institute if Party No.2 (Contractor) fails to do it then he will be answerable to MPCB at any time.
14) Injection needles should be terminated within the institute. Hence needle terminator should be kept in institute. This is mandatory by the Govt.
15) Any type of BMW for eg. Plastic bottle, I.V. Bottle syringes, glass bottle, should be given to contractor only. It is not allowed to sale in the scrap or dispose at any other public place by mistake of patient or hospital servant. For this type of mistake only hospital will be held responsible.
16) If the institute/hospital remain closed at the arrival of Bio- Medical waste collection vehicle, the concerning institute will have to pay the charge of that particular day even if the waste is not available.
17) If the institute/hospital will remain closed for a week or more than that, the concerning institution must convey this in advance, otherwise if they fails in this regard, they will have to pay the charges of that period. The information should be in written only.
18) Written information must be submit to the service provider if any extra or less beds are employed rather than in contract. Charges will be paid for extra bed from the same day without prior information, if any charges in number of beds will cause the problem.
